Bulgarian

Инструкция за употреба

1
Поставете подложка върху раната.

2
Увийте еластичната превръзка около крайник или част от тялото.

3
Поставете еластична превръзка в притискащата лента.

4
Затегнете еластичната превръзка и издърпайте назад - принуждавайки лентата за натиск надолу върху подложката.

5
Увийте плътно еластичната превръзка върху притискащата лента и увийте всички ръбове на подложката.

6
Закрепете краищата на лентата за затваряне в еластична превръзка

Danish

Brugsanvisning

1
Placér pude på såret.

2
Vikl den elastiske bandage rundt om ekstremitet eller kropsdel.

3
Indsæt den eleasticke bandage i tryk baren.

4
Stram den elastiske bandage og tvung tryk baren ned mod puden.

5
Vikl den elastiske bandage stramt henover tryk baren, og vikl henover alle kanter af puden.

6
Fastgør krogenderne af afslutningsbaren til den elastiske bandage

English

Instruction For Use

Place pad on wound.

Wrap the elastic bandage around limb or body part.

Insert elastic bandage into pressure bar.

Tighten the elastic bandage and pull back - forcing pressure bar down onto pad.

Wrap elastic bandage tightly over pressure bar and wrap over all edges of the pad.

Secure hooking ends of closure bar into elastic bandage

Estonian

Kasutusjuhend

Asetage padjake haavale.

Keerake elastne side ümber jäseme või kehaosa.

Sisestage elastne side survevardale.

Pingutage elastset sidet ja tõmmake tagasi, surudes survevarda padjale alla.

Keerake elastne side tihedalt üle survevarda ja mässige üle padjandi kõik servad.

Kinnitage sulguri otsad elastseks sidemeks

Finnish

Käyttöohje

Aseta tyyny haavalle.

Kiedo kuminauha raajan tai kehon osan ympärille.

Aseta elastinen side puristus-tankoon.

Kiristä kuminauha ja vedä takaisin - pakottaa painetanko alas tyynylle.

Kiedo elastinen side tiukasti puris-tustangon päälle ja kiedo tyynyn kaikkien reunojen päälle.

Kiinnitä sulkutangon kiinnityspäät joustavaan siteeseen

French

Mode d'emploi

Placez le tampon sur la plaie.

Enroulez le bandage élastique autour d'un membre ou d'une partie du corps.

Insérez le bandage élastique dans la barre de pression.

Serrez le bandage élastique et tirez vers l'arrière - forçant la barre de pression vers le bas sur le tampon.

Enroulez fermement le bandage élastique sur la barre de pression et enroulez-le sur tous les bords du coussinet.

Sécurisez les extrémités d'accrochage de la barre de fermeture dans le bandage élastique

Greek
